

# How to apply ISO standards and get ISO 22000 certified?

Follow these 10 easy steps to get ISO 22000 certified:

- 1 **Understand** ISO 22000 standards.
- 2 **Create** a food safety team.
- 3 **Conduct** a gap analysis.
- 4 **Develop** an implementation plan to address gap.
- 5 **Establish** prerequisite programs to create your food safety foundation.
- 6 **Create** a HACCP plan.
- 7 **Conduct** training and awareness programs for all employees.
- 8 **Conduct** an internal audit and identify areas for improvement.
- 9 **Order** audit service from ISO-approved third-party organizations.
- 10 **Receive** the certification or address findings.
